

## Funding Update | July 21, 2009

# AB 118 Alternative and Renewable Fuel and Vehicle Technology Program - ARRA Cost Share Program

The California Energy Commission (CEC) is offering an ongoing cost-share program as part of the AB 118 Alternative and Renewable Fuel and Vehicle Technology Program, limited to applicants who are submitting proposals to the federal government for transportation-related American Recovery and Reinvestment Act (ARRA) funding.

Transit agencies may be able to apply for funding as part of the federal Clean Cities program (sponsored by the U.S. Department of Energy). The second round of funding for the cost share program is seeking solicitations this fall, with pre-proposals due September 1, 2009 to the CEC.
