Transit  
Association**

# **Transit Capital Summit: Can We Rationalize the State System?**

**A Summit Presented Jointly  
by the  
California Transportation Commission  
and the  
California Transit Association**

# Solutions?

## Two Threshold Issues

- “The System”
  - **Current**: STIP/ITIP; share-based; SB 45 rules re: state-regions-local planning & programming roles
  - **New**: Outside STIP/ITIP; formula-based
  - **Improved Blended**: work out solutions within current system’s rules, regulations, roles
- “The Funding”
  - **Current** funding
  - **New** funding
